

## 8. AC911 Bus Connector, CAN

### 8.1 General Information

The bus connector enables you to:

- Exchange a CAN node without shutting down the network since the connection is not broken, and
- Change the termination resistance quickly and easily (e. g. if the last node in a network is removed).

### 8.2 Order Data

Model Number	Short Description	Image
7AC911.9	Bus connector, CAN
