

## ExnA Obsolescence

Unfortunately the ExnA Terminal Box is no longer available. The ExnA Terminal Box was denoted with the letter 'N' in character 7 of a part number, example below.

Character 7 in part number 'N'

Example:

**C1518PN00BA**

**E2318CN00TA**

**E13AXCN00UA**

ExnA Terminal Box

## Alternative ExnA Solenoids

There are two alternative versions of solenoid with ExnA certification which are shown below.

ExnA Plug & Socket

Character 7 in part number 'Y'

Example:

**C1518PY00BA**

**E2318CY00TA**

**E13AXCY00UA**

OR

ExnA Stainless Steel Terminal Box

Character 7 in part number '5'

Example:

**C1518P500BA**

**E2318C500TA**

**E13AXC500UA**
