

Product name VEGABAR 29
 Order number PP - 222 33D

Pressure sensor

Application area
 VEGABAR 29 is a universal pressure transmitter with metal measuring cell for measurement of gases, vapours and liquids up to 130 ° C. The optional universal connection for hygienic adapters ensures reduced installation effort and leaner stock keeping.

- Your benefit
- Universally applicable due to fully welded metallic measuring cell
 - Easy integration into control systems through IO-Link communication
 - Coloured 360° switching status display, adjustable
 - Comfortable wireless setup and diagnostics with smartphone

Explosion protection	for Ex-free area (CE, RCM, c-UL-us; in preparation: EAC)
Ship approval	without
Foodstuff/Pharmaceutical certificate	without
Process fitting / Material	Thread G½, ISO228-1; front-flush with O-ring / 316L; FKM
Measuring range	relative, 0...+25.0bar (0...+2500kPa)
Electrical connection / Protection	4-pole plug connection ISO4400 M16 / IP65
Electronics	Two-wire 4 ... 20 mA
360° status display	with
Customer-specific adjustment	No
Bluetooth operation	without
Additional cleaning procedures	without
Characteristics, test certific	without
Material certificate	without
Measurement loop identification	without
Min. process pressure in bar	-1
Max. process pressure in bar	80
Customs tariff number (HS code)	90262020
Software version	Current version
